

**Grant for International Conference Presentation
by the Awardee of the JSWE-KURITA Best Presentation Award
Call for Candidates for 2024**

To encourage awardees of the JSWE-KURITA Best Presentation Award in their careers as researchers and engineers, we will subsidize their participation and presentations at international conferences (including those held in Japan) organized or co-organized by the JSWE or the International Water Association.

Requirements for applicants

Individual regular or student members of the JSWE (FY2024) who meet the following conditions

- 1) Past awardees of the JSWE-KURITA Best Presentation Award who completed a master's or predoctoral course
- 2) Age under 40 (as of April 1, 2024)
- 3) Will present results of the research conducted in a graduate school, educational or public research institution, as an enrollee in that school or institution.

Grant details

Partial support for the expenses associated with participation and presentation at the international conference

(This includes not only travel expenses, but also a registration fee and
cost of abstract and proceedings editing in English.)

Grant amount (per project): 125,000-175,000 JPY

Duration of Eligible International Conferences: July 1, 2024 - December 31, 2025

How to apply:

Applicants must submit the following documents (any format is acceptable)

- *Applicant's name, affiliation, address, telephone number.
- *Research and work history since graduation of university or college
- *Documents or application form showing contents of the international conference.
(Should indicate the presentation style (oral, poster, etc.) of application)
- *Documents describing the contents of presentation (e.g., abstract)
- *Aspirations for participation of the international conference
- *Research achievements in the past three years (list of papers, presentations, etc.)
- *A document indicating the expenses for which you wish to receive grant and an approximate estimate of the amount

Application deadline

Thursday, June 27, 2024

Notification of results, etc.

Acceptance or rejection will be notified by e-mail. There will be no award ceremony.

However, even if the grant is approved, if the presentation is not accepted, the applicant will lose the eligibility for the grant. (It is possible to apply for a different presentation in the following year or later.)
