DEAR COLLEAGUES,

We are pleased to invite you to participate in the Water and Environment Technology Conference 2012 (WET2012), which will be held in Tokyo, Japan on the 29th-30th June 2012. The conference will focus on topics related to water environment, and provide a hybrid-type forum to promote exchange of information, ideas and knowledge among scientists, engineers and students.

Scientific committee encourages participants to submit their manuscripts to the *Journal of Water and Environment Technology (JWET)*, which is an official journal of the Japan Society on Water Environment (JSWE). Manuscript submitted to *JWET* will be subjected to the normal peer-review process. We look forward to welcoming you at WET2012.

CONFERENCE TOPICS

Conference topics will include, but are not limited to the following:

- Analysis of water and environment quality
- Modeling of water and environment
- Treatment of water and wastewater
- Restoration of contaminated environment
- Hazardous chemicals and waste management
- Public health and risk assessment
- Environmental education and training
- Water reclamation

CONFERENCE VENUE

The conference will be held at the Komaba II campus, The University of Tokyo (4-6-1 Komaba, Meguro-ku, Tokyo 153-0041 JAPAN), located in a beautiful residential area inside Tokyo. Detailed information is available on the conference website: <http://www.jswe.or.jp/extra/wet2012/index.html>.

REGISTRATION

On-line registration is available for participants and speakers on the WET2012 website (<http://www.jswe.or.jp/extra/wet2012/>). The registration fee will be collected by **cash** (in Japanese Yen) on site. Early-bird registration will close on 31st May, 2012. On site registration can be available after June 1st. The fee covers participation to all scientific sessions and the abstract proceedings. The conference banquet will be free of charge for all registered participants.
