Environment

### DEAR COLLEAGUES,

We are pleased to invite you to participate in the Water and Environment Technology Conference 2014 (WET2014), which will be held in Tokyo, Japan on the 28<sup>th</sup>-29<sup>th</sup> June 2014. The conference will focus on topics related to water environment, and provide a hybrid-type forum to promote exchange of information, ideas and knowledge among scientists, engineers and students. In parallel with WET2014, the workshop organized by Japan Young Water Professional (YWP) will be concomitantly held.

Scientific committee encourages participants to submit their manuscripts to [the Journal of Water and Environment Technology \(JWET\)](http://www.jswe.or.jp/jwet), which is an official journal of the Japan Society on Water Environment (JSWE). Manuscript submitted to JWET will be subjected to the normal peer-review process. We look forward to welcoming you at WET2014.

### CONFERENCE TOPICS

Conference topics will include:

- Analysis of water and environment quality
- Modeling of water and environment
- Treatment of water and wastewater
- Restoration of contaminated environment
- Hazardous chemicals and waste management
- Public health and risk assessment
- Environmental education and training
- Water reclamation

### CONFERENCE VENUE

The conference will be held at the TWIns Waseda University Office, located in the Central Tokyo area. The detailed information is available on the conference websites:

<http://www.twins.sci.waseda.ac.jp/english/access/index.html>

### REGISTRATION

On-line registration will be available for participants and speakers on the WET2014 website (<http://www.jswe.or.jp/extra/wet2014/>). The registration fee will be collected by **cash** (in Japanese Yen) on site. Early-bird registration will close on 12<sup>th</sup> June, 2014. The fee covers participation to all scientific sessions and the conference proceedings. The conference banquet will be free of charge for all registered participants. Students are required to show their student ID at the registration desk, otherwise the full registration fee would be charged.

## ABSTRACT OR PAPER SUBMISSION

Potential participants are required to submit an abstract (150-200 words) to the WET2014 Scientific Committee electronically on the conference website (<http://www.jswe.or.jp/extra/wet2014/>). Those who wishes to submit a full paper to *JWET*, please complete the submission on the website: <http://www.jstage.jst.go.jp/browse/jwet/>. The paper must follow the guideline, which is available at <http://www.jswe.or.jp/eng/publications/instructions/index.html>. The name of electronic file should consist of the paper ID and first author's family name in capital letters (Paper ID\_NAME). The editors of *JWET* will forward the submitted papers to the Scientific Committee of WET2014. Abstracts and full papers should be prepared using the Microsoft Word® template available on the following website: <http://www.jswe.or.jp/publications/jwet/index.html>.

## PAPER REVIEWING

The WET2014 Scientific Committee will review abstracts and full papers based on their relevance, originality, technical content and significance to a broad audience. Each submission will be reviewed anonymously by at least two independent reviewers. Accepted abstracts will be published in the conference proceedings. Abstracts and papers of a genuinely commercial nature will be rejected.
