DEAR COLLEAGUES

We are pleased to invite you to participate in the Water and Environment Technology Conference 2016 (WET2016), which will be held in Tokyo, Japan on the 27th-28th August 2016. The conference will focus on topics related to water environment, and provide a hybrid-type forum to promote exchange of information, ideas and knowledge among scientists, engineers and students. In parallel with WET2016, the workshop organized by Japan National Young Water Professionals (Japan-YWP) will be concomitantly held.

Scientific committee encourages participants to submit their manuscripts to [the Journal of Water and Environment Technology \(JWET\)](http://www.jswe.or.jp/jwet/), which is an official journal of the Japan Society on Water Environment (JSWE). Manuscript submitted to JWET will be subjected to the normal peer-review process. We look forward to welcoming you at WET2016.

CONFERENCE TOPICS

Conference topics will include:

- Field Research and Modeling of Water Environment
- Water Purification and Treatment Technology
- Restoration of Water Environment
- Management of Hazardous Chemicals and Waste
- Public Health and Risk Assessment
- Analytical Chemistry of Water Environment
- Environmental Education and Training
- Water Reclamation

CONFERENCE VENUE

The conference will be held at Korakuen campus of Chuo University. The detailed information of the venue is available on the following websites:

<http://global.chuo-u.ac.jp/english/siteinfo/visit/korakuen/>

REGISTRATION

On-line registration will be available for participants and speakers on the WET2016 website (<http://www.jswe.or.jp/extra/wet2016/>).

The registration fee will be collected by **cash** (in Japanese Yen) on site. Early-bird registration will close on **28th July, 2016**.

The fee covers participation to all scientific sessions and the conference proceedings. The conference banquet will be **free of charge** for all registered participants. Students are required to show their student ID at the registration desk, otherwise the full registration fee would be charged.

ABSTRACT OR PAPER SUBMISSION

Potential participants are required to submit an abstract (150-200 words) to the WET2016 Scientific Committee electronically on the conference website

(<http://www.jswe.or.jp/extra/wet2016/>).

To prepare the abstract, please use the abstract template available on the following website:

http://www.jswe.or.jp/extra/wet2016/abst_paper.html

If you submit your paper to JWET, the paper should be provided in electronic form through the online submission site (<http://mc.manuscriptcentral.com/jwet>) after completion of the abstract submission. The paper must follow the guideline, which is available at

<http://www.jswe.or.jp/eng/publications/instructions/index.html>.

The editors of JWET will forward the submitted papers to the Scientific Committee of WET2016.

PAPER REVIEWING

The WET2016 Scientific Committee will review abstracts and full papers based on their relevance, originality, technical content and significance to a broad audience. Each submission will be reviewed anonymously by at least two independent reviewers. Accepted abstracts will be published in the conference proceedings. Abstracts and papers of a genuinely commercial nature will be rejected.
