

## DEAR COLLEAGUES

We are pleased to invite you to participate in the Water and Environment Technology Conference 2017 (WET2017), which will be held in Sapporo, Hokkaido, Japan on the 22nd-23rd July 2017. The conference will focus on topics related to water environment, and provide a hybrid-type forum to promote exchange of information, ideas and knowledge among scientists, engineers and students. In parallel with WET2017, the workshop organized by Japan Young Water Professionals (YWP) will be concomitantly held.

Scientific committee encourages participants to submit their manuscripts to [the Journal of Water and Environment Technology \(JWET\)](http://www.jswe.or.jp/extra/jwet), which is an official journal of the Japan Society on Water Environment (JSWE). Manuscript submitted to *JWET* will be subjected to the normal peer-review process. We look forward to welcoming you at WET2017.

## CONFERENCE TOPICS

Conference topics will include:

- Field Research and Modeling of Water Environment
- Water Purification and Treatment Technology
- Restoration of Water Environment
- Management of Hazardous Chemicals and Waste
- Public Health and Risk Assessment
- Analytical Chemistry of Water Environment
- Environmental Education and Training
- Water Reclamation

## CONFERENCE VENUE

The conference will be held at the Conference Hall of Hokkaido University. The detailed information of the venue is available on the following website:

<https://www.oia.hokudai.ac.jp/maps/?p=sapporo>

## REGISTRATION

On-line registration will be available for participants and speakers on the WET2017 website (<http://www.jswe.or.jp/extra/wet2017/>).

The registration fee will be collected by **cash** (in Japanese Yen) on site. Early-bird registration will close on 29th June, 2017. The fee covers participation to all scientific sessions and the conference proceedings. The conference banquet and farewell lunch are sponsored by Swing Corporation, and will be free of charge for all registered participants. Students are required to show their student ID at the registration desk, otherwise the regular registration fee would be charged.

### Regular registration fee:

## ABSTRACT OR PAPER SUBMISSION

Abstract (150-200 words, Acknowledgements included) should be submitted to the WET2017 Scientific Committee electronically. To prepare the abstract, please use the abstract template that can be downloaded from conference website.

If you submit your paper to *JWET*, the paper should be provided in electronic form through the online submission site <http://mc.manuscriptcentral.com/jwet>, after completion of the abstract submission.

The paper must follow the guideline, which is available at <http://www.jswe.or.jp/eng/publications/instructions/index.html>. The name of electronic file should consist of the paper ID and first author's family name in capital letters (Paper ID \_NAME). The authors must use the full paper template file to prepare your full paper available on the *JWET* website ([https://www.jswe.or.jp/eng/publications/instructions/JWET\\_template\\_160218.doc](https://www.jswe.or.jp/eng/publications/instructions/JWET_template_160218.doc)). You are requested to type your paper onto this template using the fonts, sizes and other formatting instructions given on that.

## PAPER REVIEWING

The WET2017 Scientific Committee will review abstracts and full papers based on their relevance, originality, technical content and significance to a broad audience. Each submission will be reviewed anonymously by at least two independent reviewers. Accepted abstracts will be published in the conference proceedings. Abstracts and papers of a purely commercial nature will be rejected.
