

# Instructions for Manuscript Preparation for Proceedings of Annual Conference of Japan Society on Water Environment (JSWE) and Oral/Poster Presentation

## I. Introduction for Manuscript Preparation

Instructions 1 and 2 are for all the oral and poster presenters including applicants for the annual conference best presentation award (Kurita award) and for the best student poster presentation award (Lion award).

**Please note that all the presenters should submit their manuscripts through our website.**

The application for presentation, summary manuscript preparation, and presentation at the conference should be in the same language. Manuscripts for the presentation in English should be written in English, while manuscripts for presentation in Japanese should be in Japanese. Presenters who want to change language should inform JSWE secretariat ([nenkai@jswe.or.jp](mailto:nenkai@jswe.or.jp)).

The copyright of the manuscript on the Proceedings of Annual Conference belongs to JSWE.

### 1. Preparation of the Manuscript

(1) Manuscripts should be prepared in one page including figures and tables. Please refer Sample file. ([https://www.jswe.or.jp/event/lectures/pdf/ACSample\\_e2020.pdf](https://www.jswe.or.jp/event/lectures/pdf/ACSample_e2020.pdf))

(2) Manuscripts should be prepared in A4 size with left and right margins of 15 mm, a top margin of 20 mm and a bottom margin of 25 mm. Please use Template. ([https://www.jswe.or.jp/event/lectures/pdf/ACTemplate\\_E2020.docx](https://www.jswe.or.jp/event/lectures/pdf/ACTemplate_E2020.docx))

(3) **The presentation title and name of author(s) and the presenter should be the same as the submitted application in the registration.** However, it is possible to add author(s) not listed in the conference program due to the limitation of the number of authors in the registration form. All authors listed in the conference program should be in the manuscript. If cancellation of some of the author(s) is inevitable, please inform JSWE secretariat ([nenkai@jswe.or.jp](mailto:nenkai@jswe.or.jp)).

(4) **The font size of manuscript should be 9-10 points, and the lineage should be 50 lines per page.** The font style should be limited to **MS mincho, MS gothic, Times New Roman, Arial, or Symbol.**

(5) The presentation title, affiliations and name(s) of author(s) should be written in the lines 1 - 6 from the top. Please write the presentation title with a font size larger than the body text or in Gothic style, and the first letter of each word except preposition and conjunction should be capital. The affiliation(s) and name(s) of author(s) should be right justified and filled out successively without a line break. Additionally, in the case of multiple authors, please mark "O" in front of the name of the presenter. Please mark \* after the name of corresponding author.

(6) The e-mail address of corresponding author should be written. Please mark \* before the e-mail address.

(7) If the author(s) prepare the manuscript in English, please write the presentation title, name(s) of author(s) and affiliation(s) in the lines 5 and 6 in Japanese. Please insert a comma between these items. The affiliation(s) should be written in parentheses using abbreviations. If the author(s) prepare the manuscript in Japanese, please fill these items in the lines 5 and 6 in English by the same manners.

(8) The body text should be in two columns with a 5 mm intervening margin, and please begin to write from the 7th line. The body text should consist of the purpose, experimental method, results, discussion and conclusions. Please put these clauses at the beginning of each paragraph.

If difficulty exists in classifying the research contents into these clauses, you may omit a part of clauses, but the content needs to be equivalent to the above.

(9) For codes and abbreviations, please refer to journal submission guidelines for JWET (Journal of Water and Environment Technology) at the JSWE website (<https://www.jswe.or.jp/eng/publications/instructions/index.html>).

(10) Authors must take responsibility for the contents of their manuscript. However, if the contents are advertising or inadequate for the academic conference, or out of compliance with this instruction, the manuscript should be rejected or corrected as requested.

## 2. Preparation of Tables and Figures

Draw up figures and tables clearly in black and white, with easy-to-read size text.

Readability of figures should be checked by printing in black and white before submission.

The printed proceedings of our annual conference are in black and white printing.

### III. Instruction for Presentation

#### 1. General Information

(1) The presentation will be made online using Zoom. The presenters shall share screen at the online session by themselves. It is the presenter's responsibility to prepare the PC and communication environment required for the presentation.

Presenters must install the latest version of the Zoom software.

(2) The presenter should be in the meeting room at least 10 minutes prior to his/her presentation.

(3) We notify presentation date and time, by sending an e-mail to registered address at the end of December. The presentation time schedule will also be available on the JSWE web site after late December.

(<https://www.jswe.or.jp/eng/event/lectures/2020en.html>)

(4) Please clarify the following points in the presentation:

- a Necessity of the study
- b Review of the studied area and originalities of the presentation
- c Illustration of important results
- d Interesting views
- e Values of the provided views
- f Outlook for the future

(5) The presenters should consider the degree of specialty of the attendees. Please prepare a presentation that is easy to understand and avoid becoming redundant.

#### 2. Oral Presentation

(1) Presentation time for general oral presentation is 15 minutes. Please keep time, 10 minutes for presentation and 5 minutes for discussion.

(2) Presentation would be made using PPT file. PDF file converted from PPT also could be used.

(3) The presentation file should be prepared with consideration of the following points:

- a. Explanatory time for each page may be approximately 1 minute.
- b. Each slide should deal with one theme, and please avoid too much content.
- c. Simple graphs and illustrations are preferred rather than tables and formulas.
- d. The first slide should show the presentation title.
- e. Itemized conclusions in the last slide help the attendees to understand the points of the presentation.
- f. It is desirable to mark page numbers clearly.

#### 3. Poster Presentation

(1) Designated Day and Time.

The poster session will be held in the first day and the second day. The Presenters of poster session shall present their poster and have discussion on the designated day and time.

The poster session for JSWE-KURITA Best Presentation Award (applicants who passed preliminary selection only) is on the second day, and the poster session for JSWE-LION Best Student Poster Presentation Award is on the first day.

For detailed time schedule of poster session, please refer the program that will be posted at our WEB-Site (scheduled to be posted in late December).

(2) The presentation files

The type of presentation file would not be mattered as long as Zoom screen sharing would be possible.

Please prepare considering that it will be displayed on the screen of participant's PC.
