DEAR COLLEAGUES,

We are pleased to invite you to participate in the Water and Environment Technology Conference 2013 (WET2013), which will be held in Tokyo, Japan on the 15th-16th June 2013. The conference will focus on topics related to water environment and environmental technology, and provide a hybrid-type forum to promote exchange of information, ideas and knowledge among scientists, engineers and students. In parallel with WET2013, the workshop organized by Japan Young Water Professional (YWP) will be concomitantly held. Scientific committee encourages participants to submit their manuscripts to the *Journal of Water and Environment Technology (JWET)*, which is an official journal of the Japan Society on Water Environment (JSWE). Manuscript submitted to *JWET* will be subjected to the normal peer-review process. We look forward to welcoming you at WET2013.

CONFERENCE TOPICS

Conference topics will include:

- Analysis of water and environment quality
- Modeling of water and environment
- Treatment of water and wastewater
- Restoration of contaminated environment
- Hazardous chemicals and waste management
- Public health and risk assessment
- Environmental education and training
- Water reclamation

CONFERENCE VENUE

The venue for WET2013 is at Koganei Campus, Tokyo University of Agriculture & Technology, located in a beautiful residential area outside the city center in Tokyo. Detailed information is available on the conference website:

<http://www.jswe.or.jp/extra/wet2013/index.html>.

REGISTRATION

On-line registration will be available for participants and speakers on the WET2013 website (<http://www.jswe.or.jp/extra/wet2013/>). The registration fee will be collected by **cash** (in Japanese Yen) on site. Early-bird registration will close on 31st May, 2013. The fee covers participation to all scientific sessions and the conference proceedings. The conference banquet will be free of charge for all registered participants. Students are required to show their student ID at the registration desk, otherwise the full registration fee would be charged.
